

Dear Parent,

Your child is being considered for a volunteer work exchange and/or partial scholarship for a **Music Place** program. It is our desire to help as many needy children as want to participate, and we work with families in many different ways to make that possible. Please fill out the questions below and return all pages as soon as possible for review by our board. We can usually help families with at least 50% of a group class tuition and 25% of private tuition in exchange for their help.

For most types of non-specialized volunteer help, we credit families with \$9.00-\$10.00 per hour toward their tuition. In the case of specialized help such as carpentry, graphic arts, gardening etc., we try to credit the helpers at a rate that is closer to their regular trade rate if possible.

The way our program usually works (there are *always* exceptions!) is that a family approved for our work exchange program will pay the registration fee and the first month's tuition in *real* money. Then, during the course of that month, the participants put in an agreed amount of work in exchange for tuition, keeping track of their hours. At the end of the month, they will contact our Parent Help Coordinator to confirm the hours noted on their parent worksheet (see enclosed sample), and she will issue a work voucher for the amount of work credited. Parents will submit the signed voucher with a check for the balance of the tuition due for the following month. Please note that although we have a Parent Help Coordinator, it will be each parent's responsibility to log and keep track of their own work credits and tuition charges during the course of each month. We will prepare a file for each parent at our Main Office (located in the right hand drawer of the credenza near the bathrooms) into which parents will place their completed work forms (noted with times etc.) You can pick up your voucher at the beginning of each month to sign and turn in with your tuition check. If you are working at another location other than the Main Office you may call in your hours for each month and request your voucher to be mailed to you or you may pick it up. Please note we can't credit it to your account until it is signed and turned in with your check.

We are sorry that we are unable to offer *any other types of discounts* for families that are working in exchange for tuition.. This includes sibling and apprentice discounts. We are sure that you will understand that we are not able to administrate a work program like this without accruing expense.

We have also enclosed a Parent Work Checklist similar to the one you may be using when you come in or work at home. Please take some time to note the types of things you would be willing and/or able to do to help us, and note any special talents or skills you would like to use, and how much hourly tuition credit you feel like you would need to offer those skills to us in exchange for tuition. Please return this along with pages 1 and 2. Thanks!.
